In Zambia the school comes to the pupils.

The rural population of Zambia is regarded as one of the poorest of the African continent.

Education that inspires

In Papua New Guinea and the Solomon Islands, a project for youth is being supported.

Your commitment works!

e="Light List Accent 4"/>

Education is the key to a better future! With the support of TwoWings you create the basis for the establishment of schools for example in Papua New Guinea.

Please see the video "Rays of Light" for more information.
