

PARTNER

Making a contribution to the betterment of the world as a company or organization.

TwoWings is convinced that partnerships between Non Profit Organizations and the private industry and companies create an additional benefit in development cooperation. TwoWings maintains innovative customized co-operations with undertakings from the areas of Internet, banks and tourism. Concertedly many development projects could be supported world-wide.

TwoWings offers you as businesses different possibilities to commit yourself to sustained development projects. We would be happy to conceive a customized cooperation with TwoWings for you as well.
